

## Account Limit Selection

Students may purchase ala carte items such as second meals, additional entrees, fruit juice, extra milk, and snack items (previously called snack tokens) for an additional charge. If you wish to restrict or limit the amount of ala carte purchases, please return the form below to the cafeteria manager at the school so a block or limit can be placed on the meal account.

You may monitor your student's meal account balance and purchases by registering at EzSchoolPay.com. This is a free service offered to all BISD families.

**Fill out this form only if you want to limit what your student may purchase in the cafeteria.**
