April 17, 2017

The Brenham ISD Child Nutrition Department is excited to announce a new and improved point of sale system which is accompanied by a new online meal payment system, EZ School Pay. This new online payment system will start at the end of this school year and can be accessed at www.ezschoollpay.com or from www.brenhamisd.net by clicking the green Child Nutrition quicklink in the left sidebar.

Please be advised that the current online payment system, Lunch Money Now, will no longer be active after 3:00 p.m. on Friday, April 28, 2017. Please make sure your child has an adequate balance in Lunch Money Now to sustain lunch payments until the go-live dates below or plan to send cash/check payment to your child's campus during the gap period. Remaining funds from student's current Lunch Money Now account will automatically roll over to the new system effective on the go-live dates below.

Online meal applications will also be unavailable through Meal App Now after 3:00 p.m. on Friday, April 28, 2017. Paper meal applications will be available in the front office at each campus.

Below are the dates that the new system will be live at your child's campus.

Brenham Junior High School	Thursday, May 4
Brenham High School	Friday, May 5
Brenham Middle School	Thursday, May 11
Brenham Elementary School	Friday, May 12
Alton Elementary School	Tuesday, May 16
Krause Elementary School	Wednesday, May 17

Please visit the Brenham ISD Child Nutrition Department website to find information and tutorials on how to set up your new parent account in EZ School Pay. **Parent accounts may be created after the go-live date for your child's campus.**

The Brenham ISD Child Nutrition Department strives to provide a balanced nutritional program for all students, and to provide support and options for parents. If you have questions regarding the transition to EZ School Pay or your child's balance, please contact the Brenham ISD Child Nutrition Department at 979-277-3750.
